Planet Hair

Planet Hair was born with a very clear mission: to **democratize luxury salon furniture**.

Our goal is to work with dedication to offer **the very best products**, featuring **premium-quality** components and **outstanding performance**, at a **price accessible** to everyone.

At the same time, we embrace a philosophy of creating **innovative furniture in both design and colour**, adapting to the latest trends to deliver products with a truly **premium look and feel**.

Planet Hair is more than just a brand. It stands for:

-  Democratizing luxury salon furniture: premium aesthetics and top-level performance within everyone's reach.
-  Maximum ergonomics for both clients and professionals: products designed to allow professionals to work comfortably and naturally, while clients enjoy a truly relaxing experience.
-  Premium-quality components: the excellence of our products begins with the superior quality of the materials and components we use.

WASHING UNITS

Velaris Air

Maximum Ergonomics for the Professional

Designed with the stylist in mind, it allows professionals to place their feet comfortably beneath the basin and work in a natural, ergonomic position, reducing strain and avoiding awkward postures. Its height is carefully optimized to keep the arms relaxed throughout the service.

Synchronized Movement 'Planet Hair LIFT'

Thanks to the Planet Hair LIFT system, the client is positioned in an almost fully reclined position. The backrest, seat, and leg rest move and elevate simultaneously, providing outstanding comfort and a deeply relaxing experience.

Air Massage 'Wave Feeling'

The Wave Feeling air massage system uses strategically positioned airbags to cover 100% of the wash unit. The backrest, seat, and leg rest work in perfect synchronization to deliver a full-body massage, stimulating multiple areas at the same time for maximum relaxation.

Available colours:

Velaris Air - Beige | Code: WPYW013.A33

Velaris Air - Earth | Code: WPYW013.A17

Velaris Air - Black | Code: WPYW013.A12

WASHING UNITS

Velaris Roll

Maximum Ergonomics for the Professional

Designed with the stylist in mind, it allows professionals to place their feet comfortably beneath the basin and work in a natural, ergonomic position, reducing strain and avoiding awkward postures. Its height is carefully optimized to keep the arms relaxed throughout the service.

Synchronized Movement 'Planet Hair LIFT'

Thanks to the Planet Hair LIFT system, the client is positioned in an almost fully reclined position. The backrest, seat, and leg rest move and elevate simultaneously, providing outstanding comfort and a deeply relaxing experience.

Roll Massage

The ROLL Massage system, integrated into the backrest, delivers a smooth and relaxing massage experience by applying the ideal amount of pressure to relieve tension in the lumbar and cervical areas. Its gentle, non-aggressive motion maintains balanced contact across four points of the back, ensuring exceptional comfort throughout the treatment.

Available colours:

Velaris Roll - Beige | Code: WPYW014.A33

Velaris Roll - Earth | Code: WPYW014.A17

STYLING CHAIR

Cosmo

Strength and Durability
Combined with Outstanding
Comfort

A robust internal metal frame provides exceptional strength and stability, while high-density moulded foam ensures superior comfort. Every detail has been carefully engineered to deliver premium quality and an exceptional finishing standard.

Ergonomic and Functional

The one-piece seat, with no side seams and an open rear section, prevents hair from accumulating and makes cleaning quick and effortless. Its ergonomic design naturally supports and embraces the back and lumbar area for maximum comfort.

Premium Hydraulic Pump and Base

Equipped with a high-quality lockable hydraulic pump featuring a single-sided foot pedal. It is paired with a flat round metal base finished in stainless steel, ensuring excellent stability, durability, and a premium appearance.

Available colours:

Cosmo - Beige | **Code:** PHSC002

Cosmo - Earth | **Code:** PHSC010

Cosmo - Black | **Code:** PHSC001

Available Bases / Pumps*:

- **Base/Pump Black:** PHBS001 + PHPM001
- **Base/Pump Beige:** PHBS002 + PHPM002
- **Base/Pump Earth:** PHBS003 + PHPM003
- **Base/Pump Silver:** PHBS004 + PHPM004
- **Base/Pump Gold:** PHBS005 + PHPM005

*Any base color can be combined with any pump color.

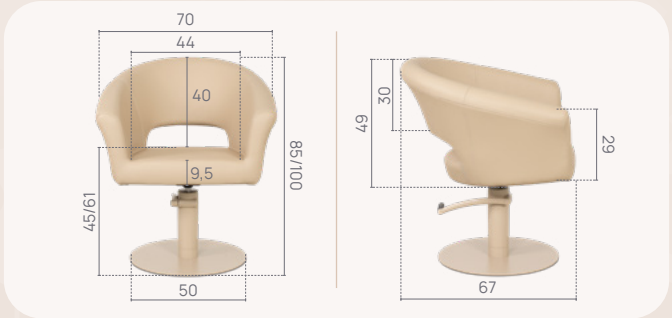

Specifications:

- **Chair Weight & Dimensions:** 13 kg / 72x70x55 cm
- **Hydraulic Pump Weight & Dimensions:** 5.315 kg / 18.5x14x46 cm
- **Base Weight & Dimensions:** 10.6 kg / 52x52x2.5 cm
- **Maximum Load Capacity:** 160 kg
- **Upholstery:** Abrasion resistance >130,000 Martindale cycles
- **Frame:** Metal chassis
- **Foam Material:** High-density injected moulded foam
- **Base Material:** Metal with a stainless steel cover
- **Hydraulic Pump:** Lockable hydraulic pump

Optional Accessories:

Cosmo. Protective plastic cover for backrest:
PHSP022

Juni. Booster Cushion:
RZZW000.A12

STYLING CHAIR

Flirty

Strength and Durability
Combined with Outstanding
Comfort

A metal frame combined with a reinforced wooden structure delivers exceptional strength, durability, and comfort. High-density moulded foam in both the seat and backrest provides outstanding support and a truly comfortable seating experience.

Ergonomic and Functional

The armrests feature internal metal brackets for enhanced stability and long-lasting durability. A practical gap between the seat and armrests prevents hair from accumulating and makes cleaning quick and effortless. Designed for perfect ergonomics, the chair naturally supports and adapts to the back and lumbar area, maximizing the client's comfort throughout every service.

Premium Hydraulic Pump
and Base

Equipped with a high-quality lockable hydraulic pump featuring a single-sided foot pedal. It is paired with a flat round metal base finished in stainless steel, ensuring excellent stability, durability, and a premium appearance.
